	14	Sat			1st-2nd Game	3rd-4th Game

\* Notes: Game day will be in the main gym. Again, help is always appreciated with setup of equipment, supervision of a group, tear down, etc. Please note that we will progressively work towards game play. It would be counterproductive to attempt a full court game right away. "Games", especially at the outset, may be team relays or drills to help the kids understand parts of the game format.
